

Club Magazine

Dear Member,

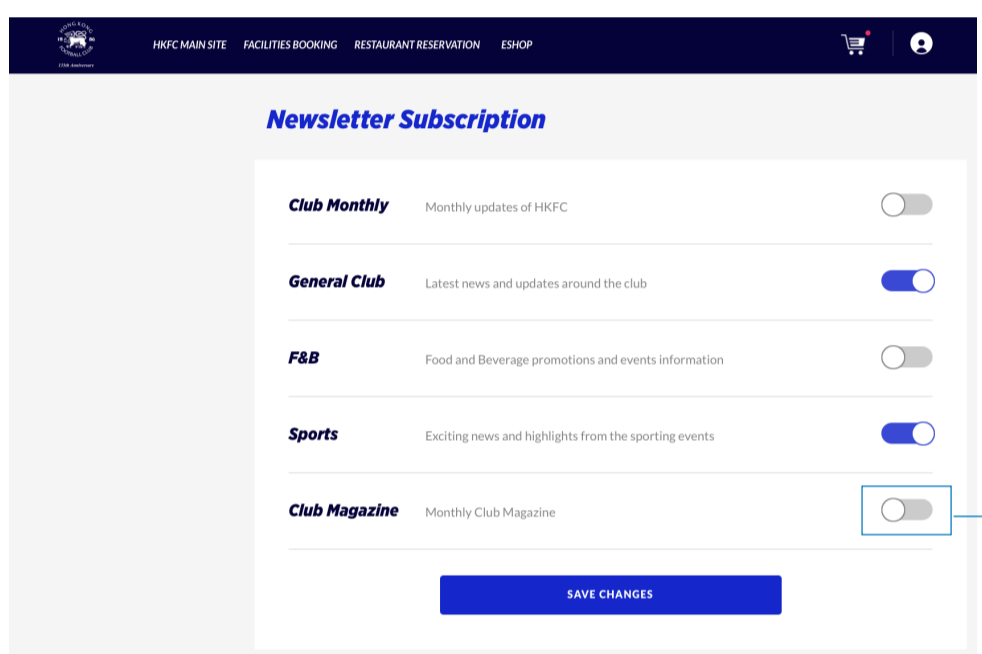

I am writing to you with regard to the Club Magazine.

Currently we mail out 36,000 hard copies of the magazine in a plastic bag annually, and despite the fact that the materials used are biodegradable, in this day and age it does seem rather wasteful to continue with this practice.

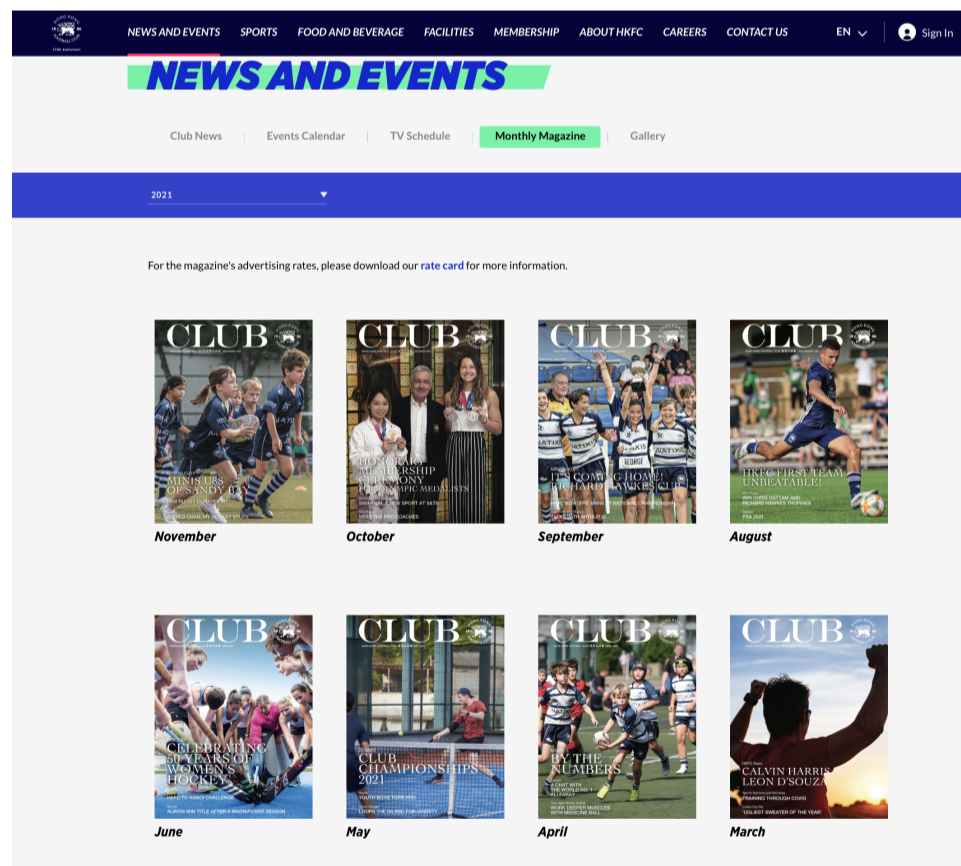

I am aware that many members like to receive the magazine, and would ask that if you are happy to read it online, to please unsubscribe.

There are two ways to do this.

- 1. Offline:** Visit or call the Front Desk at the Club and they will make the necessary arrangements.
- 2. Online:** Go to the [Members login](#) area, select "Account Details" and scroll down to the bottom to "Newsletter Subscription". Toggle the button to **turn off** the Club Magazine.

In order to read the magazine online go to the Club website at hkfc.com/news-and-events/monthly-magazine/.
