

# NOTICE TO MEMBERS

## *Updated Club Facilities Operations*

Dear Member,

In view of the latest situation as regards COVID-19 we have been informed by the HK Government of further preventative measures that we are required to take. These are noted below.

**From Friday 7th January until further notice, please take note of changes to the Club's F&B Outlets operations. The Restaurant and the Family Lounge will be closed until further notice. The Chairman's Bar will be closed on Saturdays, Sundays and Public Holidays and the Sportsman's Bar will also be closed Monday to Friday until further notice. The Captain's Bar and Coffee Shop will open at their normal opening times but will announce the last call at 5pm and will close daily at 6pm sharp. The revised number that can sit at a table will be reduced to a maximum of 6 persons. Please note that the Kiosk will also remain open until 7:30pm with some additional cooked food options to take away. In this respect the Clubhouse will be closed from 8pm daily.**

**We are also required to completely close all our Sports and Recreational facilities, including the Pitches, Indoor and Outdoor Greens, Training Triangle, Sports Hall, Tennis Complex, Squash Centre, Swimming Pool Complex, Fitness Centre, Children's Playrooms, Ten Pin Bowling Alley and Snooker Room. The Changing Rooms will remain open from 8am to 6pm daily. The Club Shop and Movie and Book Library will also remain open but with slightly adjusted closing times which will be Monday to Sunday 10:30am to 6pm. The Car Park will open at the normal time but will be closed at 8pm daily.**

Members will still be required to access the Club via use of the LHS app and to undertake a temperature check at the Front Entrance and members are strongly reminded of the requirement to wear face masks when on the Club Premises when not in a F&B Outlet.

We trust you will understand the need for these further preventative measures, and we will update members as and when further information becomes available.
