COVID-19 Preventative Measures

Dear Member,

We have been notified that a Staff member (who is double vaccinated) has tested initially positive for COVID-19. The Staff member last worked at the Club on Sunday 13th February 2022 in the Coffee Shop and before that worked on Thursday 10th February 2022 again in the Coffee Shop.

Therefore, in line with Club protocol, and with advice from the Centre for Health Protection, we have taken the decision to **close the Club for deep cleaning from midday today Tuesday 15th February 2022 reopening on Thursday 17th February 2022 at midday.**
