## *Easing of COVID-19 Restrictions*

Dear Member,

As many of you will have heard Government announced Thursday 14th April 2022, the relaxation of a number of Social Distancing Measures both for Food and Beverage as well as for Sports and Recreation.

From a Food and Beverage perspective this will now mean that **from Thursday 21st April 2022 onwards that the F&B Outlets will be able to remain open until 10pm and numbers at table will increase to 4 pax.** Please click [here](#) to see the revised opening hours for the F&B Outlets.

From a Sports and Recreation perspective most of our Sports and Recreational facilities, including the Fitness Centre will open as from Thursday 21st April 2022 onwards except for the Swimming Pool Complex, Sauna and Steam Rooms and Children's Playrooms which will remain closed until further notice. Currently, Government guidelines dictate that users of sports and recreational facilities must wear masks at all times. **Bookings for the Sports and Recreation facilities will be able to be made from Tuesday 19th April 2022 from 9am onwards.** I would note that the Rugby/Soccer Pitch and Hockey Pitch will open in accordance with specific user conditions, and these have been made known to the respective Sporting Sections that use these facilities.

Stay Safe and Healthy.
