

NOTICE TO MEMBERS

Precautionary Measures for Atypical Corona Virus at the Club

In view of the outbreak of novel corona virus cases in China and here in Hong Kong, we take this opportunity to advise you of measures being taken at the Club to protect the health of Members, Staff and Guests as of today's date 24th January 2020.

Steps being taken in Member areas:

- All door handles are being cleaned and sterilised throughout the day.
- Frequency of cleaning of all public areas has been increased.
- Use of hospital strength anti bacterial cleaning fluid throughout the Club.
- The cleaning and sterilisation of the Fitness Centre, Children's Play Rooms, Snooker Room, Bowling Alleys and all Changing Rooms has been increased in frequency.
- The Club requests that any member who has symptoms of fever or the virus seeks medical advice from their medical practitioner before visiting the Club.

Steps being taken with Staff and back of house areas:

- Any staff member experiencing symptoms of fever or the virus is directed to stay at home and seek medical advice. They will not to return to work until cleared to do so by a medical doctor.
- All staff are provided with medicated soap or steriliser and instructed to wash their hands on a regular basis throughout the day.
- All staff (including casual workers) are required to undertake a daily temperature check. Any staff showing higher than recommended temperature will be asked to visit the Doctor and return home.

We are also maintaining daily contact with appropriate Government Departments to ensure that we remain fully informed on developments, and are conforming to Government directives.

We appreciate the understanding and cooperation of Members and are sure that you understand the need for increased vigilance and attention to hygiene at this time.

We will keep you updated of any further developments.

In the meantime we wish you all Kung Hei Fat Choi.

Management
