## Revised Opening Hours for the Club and use of Sports and Recreational Facilities

Based on the latest update from the Government, please be informed that the opening hours for the Club will be revised as per below from Friday 4th September until further notice. Government have also decided to allow certain Sports and Recreational facilities to reopen from Friday 4th September onwards - these facilities and their opening/closing times and user conditions are noted below. **In this respect, one of the user conditions is that you are required to wear a Face Mask at all times whilst exercising.**

Unfortunately, the Swimming Pool Complex, all the Pitches and Training Triangle as well as the Squash Centre will remain closed. The Golf Simulator Room remains closed for renovation works and the installation of new Simulators (opening is scheduled for mid-October 2020).

Please note too, that from a social distancing perspective, we are still being kept to 2 persons per table in the F&B Outlets, with 1.5 metres between tables and to a maximum capacity of 50% of each outlet.
