THE THOUGHTS OF THE CHAIRMAN

主席的話

Neil Jensen
Chairman

The **Olympic Games Paris 2024** is just around the corner, set to begin on 26th July. We are incredibly proud that several Club athletes will be representing Hong Kong, China in this global sporting event. **Happy Lo** (Badminton – HKFC Junior Academy), **Cheung Ka Long** (Fencing – HKFC Honorary Member) and **Siobhán Haughey** (Swimming – HKFC Honorary Member) will be competing on the world's greatest athletic stage. We wish them the absolute best of luck!

With all the international sporting events happening this summer including Euro 2024, the Sportsman's Bar will be showing games. As the tournament progresses, we may also consider games being shown during the night if demand is high enough. Be sure to check the weekly schedules on our website.

The Club will be offering a variety of **summer camp classes and clinics** throughout the school holidays. We also have some new and exciting initiatives in the works for Fitness and Wellness, which we'll be announcing throughout the summer.

Beginning in August, the Club will be offering **HYROX** training and events as an official HYROX affiliate. Be on the lookout for more details on this exciting new programme. As some of you will be aware, I recently competed at the HYROX World Championships in Nice and this is one of the fastest growing global sporting events.

Planning is well underway for the inaugural **HKFC Sports Awards Gala Dinner** on **7th September**, which will be a key event for the Club. Tickets are selling fast.

The Club's F&B offerings will be in full swing this July, with a range of exciting events and offerings for Members to enjoy. On 12th July, the Restaurant will be hosting a "2024 Euro Cup" Wine Dinner, where Members can enjoy exquisite wines and delicious dishes inspired by the upcoming European Football Championship. The Sportsman's Bar's Back Patio will be serving up Lebanese Kebabs throughout the month with Middle Eastern-inspired menu for a flavourful and refreshing summer meal.

As summer winds down, on 23rd August, the Restaurant will be hosting a "Meat and Greet" Wine Dinner, where Members can indulge in expertly paired wines and delectable meat-based dishes. For those seeking a more relaxed afternoon, the Chairman's Bar will be offering a "Summer Breeze Afternoon Tea" throughout the month.

Finally, as mentioned in my email message to all of you on 4th June, Randal Linhart has ceased to be the General Manager of the Club. **Tony Sealy** has taken up the role of **Acting General Manager**, taking charge of the Club's operations while a search is conducted to recruit a replacement. The General Committee would like to thank Randal for his service to the Club and wishes him well in his future endeavours.

I hope you all have a fantastic summer and are ready to dive into an exciting new season at the Club!

2024巴黎奧運即將於7月26日開幕。我們感到十分自豪，因為本會多個運動員將在這個全球體育盛事中代表中國香港，羽毛球的青年軍**盧善恩**、劍擊的榮譽會員**張家朗**及游泳的榮譽會員**何詩蓓**都會在世界最大的運動舞台作賽，在此祝他們好運！

除了奧運，今個夏天還有連場國際體育盛事，包括2024歐國盃，Sportsman's Bar將會播放多項賽事。隨著賽事發展，反應熱烈的話我們或許也會播放夜間賽事，緊記留意本會網站的每週節目表。

暑假期間，本會將舉行各種各樣的**夏令營及訓練營**。我們也正為體適能及健康籌備幾個全新刺激的計劃，詳情會於今個夏天內公布。

8月開始，本會將以**HYROX**官方合作夥伴的身分提供HYROX訓練及活動，記得多加留意這令人興奮的新事物。有些人也許注意到本人最近參加了在尼斯舉行的HYROX世界錦標賽，這個錦標賽可說是其中一項發展得最快的全球體育盛事。

9月7日第一屆香港足球會運動員頒獎晚宴的籌劃工作進行得十分順利，是次晚宴將會是本會本年度的重點活動，門票現正火速熱賣中。

今個7月，本會的餐飲推廣將展開得如火如荼，一系列激動人心的活動推廣等著會員來享受。Restaurant將於7月12日舉辦「2024歐國盃」酒宴，當晚會員可以享用由歐洲足球錦標賽啟發而成的美酒佳餚。Sportsman's Bar的後方露台則會於同月為大家送上黎巴嫩烤肉，富中東特色的餐牌勢必為夏天帶來別具一格的美味體驗。

暑假接近尾聲時，Restaurant亦將於8月23日舉辦「Meat and Great」酒宴，專業搭配的葡萄酒加上以肉為主的美味菜式，相信能令出席的會員陶醉不已。如果是想度過更輕鬆的下午，Chairman's Bar於8月期間推出的「夏日涼風下午茶」最適合不過。

最後，正如本人在6月4日向大家發出的電郵中提到，Randal Linhart已停止擔任本會的總經理，目前由**Tony Sealy**擔任代理總經理一職，負責本會的經營管理工作，同時本會正尋找合適的人選進行招聘。常務委員會感謝Randal對本會的付出，謹祝他在新的工作崗位順利如意。

希望所有人都有個愉快難忘的夏天，並準備好在本會投入新一季緊張刺激的賽事。

NEW MEMBER ORIENTATION RECEPTION

A MULTI-SPORT WELCOME TO HKFC

Many thanks for the support of our General Committee, the Management Team and Sports representatives, who all contributed to making our New Member Reception a successful and merry occasion at the Happy Valley Suite in late May.

The night aimed at expressing our warm welcome to new members by familiarising them with the background and traditions of the Club, as well as establishing their sense of belonging to the Club. They also took the opportunity to meet fellow members from other sections and sports.

To kick off, our Chairman, Mr. Neil Jensen, gave a brief introduction to the new members on the longevity and

history of the Club. He remarked on the responsibility and mission of becoming a prime part of the Club. Enriching their journey at the Club, he encouraged them to explore more possibilities and devote themselves to the promotion of sports culture at the Club together. This was followed by a Club trivia quiz, where the questions were based on some fun facts about the Club, and most of our new members managed to score well.

Our Food & Beverage outlets showcased their respective features and presented a wide variety of dishes. While representatives from the sports Sections, DSA and Societies also joined to introduce their sports, in an attempt to sign up new players as well

as highlighting upcoming sports events to the new members. Not only did they get to know more about the variety of sports available at the Club, but this cross-section engagement enabled them to understand more about HKFC sports as a whole.

Judging by the enthusiasm shown by participants, everyone had a quality night at the Club and we are looking forward to holding further new members events to welcome our next group of joiners.

2024 CHAMPIONS

IT'S A WRAP 2024 HKFC STANDARD CHARTERED Soccer Sevens

The HKFC Standard Chartered Soccer Sevens - celebrating its 25th anniversary - wrapped up on Sunday, 26th of May. Under the new stewardship of Soccer Sevens Tournament Director Scott Semple and under the watchful eye of Chairman Tony Bratsanos, the event lived up to its billing as a Hong Kong Mega Event.

Kicking off the weekend, we had the much-anticipated Sportsman's Dinner on the Thursday night with special guest Queens Park Rangers, Tottenham and Newcastle legend Les Ferdinand. Les shared some stories of how he approached the game as a player, coach and director of football, what drove him then and drives him now and his ambitions to be part of the game for a very long time. The room full of young aspiring Premier League players hung on to his every word. Judging from the lengthy line of people wanting photos with him, he was an extremely popular choice as guest speaker - he did not disappoint.

Moving to the competition itself, UK-based teams Brighton & Hove Albion, West Ham United, Fulham, Newcastle United, Leicester City, Glasgow Rangers, Aston Villa were joined by local teams Kowloon Cricket Club, Ampcontrol Discovery Bay, Tai Po, BC Rangers, a Hong Kong China Representative Side, Yokohama F. Marinos from Japan, Yau Yee League Select, and our four HKFC teams. Both Singapore Cricket Club and Singapore Football Club each fielded an Open and Masters team in the competition and lastly, the Wallsend Boys Club and the PFA All-Stars, made up of stars of yesteryear, completed the twenty-four teams in total with sixteen teams competing in the Main Competition and eight in the Masters Competition.

After last year's successful exhibition game, where our HKFC Women's team took on a Hong Kong Select team, this year saw the introduction of a Women's competition with eight teams participating including Kitchee, Macau's national team, Chelsea Soccer School and our very own Women's Team.

Lastly, as well as a series of Junior Soccer 7's Finals, we also had the annual HKFC Crusaders exhibition match which was loudly cheered on by the capacity crowd. The HKFC Crusaders is our community soccer initiative for players with intellectual and/or physical disabilities.

The PFA All Stars, with former professionals such as **Barry Hayles, Lee Mansell, Scott McGleish Luis Boa Morte, Leroy Lita and Jamie Cureton**, were the eventual winners of the Masters Cup in a thrilling match against Singapore Football Club.

Ampcontrol Discovery Bay took the Masters Plate on penalties against Kowloon Cricket Club.

Leicester City were the Sean Browne Shield Winners with a 2-1 win over Rangers in a reverse of last year's Shield final.

In the inaugural Women's Tournament, **Chelsea** won the Cup with a penalty shootout against Kitchee, and our HKFC Women's team proudly took the Plate with a tight 1-0 win over neighbours' Macau.

Brighton & Hove Albion were the winners of the Main Cup Competition with a commanding win over last year's Cup Champions Aston Villa. They did it the hard way with a group loss to local side HK Rangers and a draw with tournament debutants Yokohama F. Marinos, but they were able to prevail at the 'business end' of the tournament. This win represents Brighton & Hove Albion's first Cup win, and they celebrated in style.

The event ended with the Gala dinner on Sunday night where a video of every goal from the tournament was shown on video with the winning teams again invited up to the stage to receive their awards. They were cheered by their peers in the audience, capping off a fantastic tournament.

The Sevens Committee and in particular the Sevens Chairman Scott Semple would like to thank our Sponsors, everyone who attended, and all the volunteers who gave up their time over the weekend to help make the event a success. We had around 90 volunteers from across the Soccer Section and Junior Soccer plus over 100 ball boys & girls who helped keep things moving along nicely throughout the tournament.

The staff and management at the Club were equally amazing with no request too difficult for them to handle and they did us proud as always in demonstrating to the world what Asia's Premier Sporting Club is capable of.

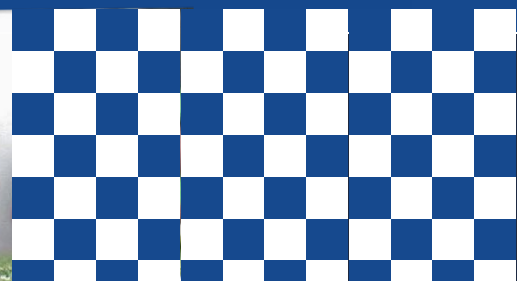

Several members returned from overseas especially for the tournament in the form of Peter Hurst from Singapore, Phil Thompson from New Zealand, as well as former Tournament Directors, Alistair Macleod, Tom Henderson and Chris Plowman.

With many of the teams who played this year already committing to next year, we can look forward to 2025 with anticipation and expectation. See you all then!!

NEWCASTLE UNITED COACHING CLINIC

On Thursday 23rd May, before the Soccer Sevens tournament, Coaches from one of the visiting teams, Newcastle United, delivered a Coaching 'Clinic' for HKFC's Soccer Section. The event was run by **Chris Moore** and **Graeme Coulson**, A Licence Youth Development Phase Coaches from NUFC's Academy, and was intended to help both our Technical, professional Coaches and volunteer, part-time Coaches from Junior Soccer.

The event was the brainchild of Section Chairman **Mark Grainger** who wanted

to see what our Coaches could learn from the English Premier League clubs competing in the Sevens, and was coordinated with the HK Football Association, whose own staff also attended.

Chris and Graeme ran a session based on Transition from Defence to Attack (TDA), with emphasis on ball possession, forward runs and ultimately finishing on goal. In needing players for the drills, our visiting Coaches used HKFC's PYL U14 squad who benefited greatly from a structured, attacking session that

expanded concepts from possession rondos to a conditioned game, finally finishing with a small-sided game with Goalkeepers. This was followed by a 10-minute Q&A session for Coaches to pick the brains of the professionals!

With 22 players on the pitch and about 30 Coaches watching on, the session was warmly received, and conversations of coaching techniques carried on upstairs at the Sportsman's Dinner over a glass of wine.

HKFC E'S SEASON OF CHAMPIONS BACK AT THE TOP!

HKFC Mens E's 2023-2024 league championship winning season was a story of redemption rich with the spirit of unity and the thrill of competition. After a disappointing 2022-2023 season, the team regrouped and became ever more focused on the new season and that laser-sharp focus never wavered until we were once again crowned champions of the league.

SPORTS

Starting by solidifying the returning players and making several clever recruitments, the Men's Es formed a squad composed of both young talent and seasoned players that focused on a fine balance between a solid defence and potent attack that dominated the league from day one.

Our defence became the team's stronghold this season where the back four's efforts, led by **Paul Chan** and **Dilraj Gill**, made easy work for our joint goalkeepers **Darren Foo** and **Jason Man** who limited our opponents to only a handful of goals and kept numerous clean sheets across all competitions. The younger players brought agility and relentless energy, while the veterans provided strategic depth and composure. Together, they formed an impenetrable wall that stood firm against all challenges and were rarely troubled. The team ended the season with the best defensive record in the third division and the second-best defensive record across all seven divisions.

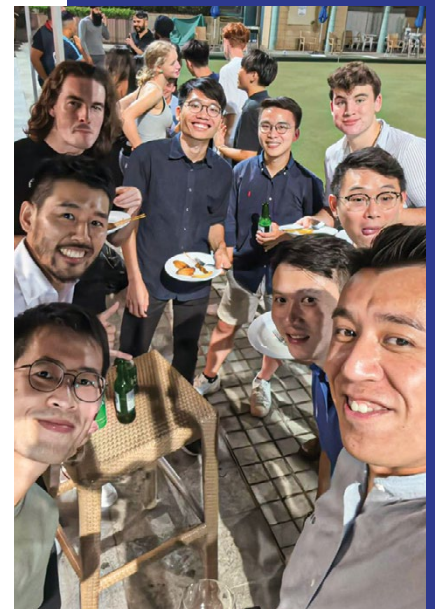

On the end, the team's offence was a display of skilful coordination and sharp execution. The youthful players' speed complemented the veterans' tactical positioning and became an attacking weapon that left our opponents trailing. **Derek Siu** and **Jason Hui** never stopped providing potent passes to our strikers and **Kencer Ho**, a new recruit, was the team's top scorer, netting in 17 goals in league competition alone.

Competition was tight all season long, but the team was able to stay on top of the table from the get-go because of the player's dedication and commitment, which ultimately culminated in another team photo on the club's hallowed wall and another trophy in its fabled cabinet.

At the end of this season, we bid farewell to our onion ring loving Darren Foo, our legendary goalie whose contributions have been pivotal to the team's success over the years. His move to Singapore will be a significant change, but his legacy at HKFC E remains untarnished.

Special mention also goes out to our team's efforts in section life. Whilst the season was full of highlights and tough battles on the hockey pitch, we never forgot our roots as the club's social team with strong turnouts across all section activities as well as being a huge supporter of our youth hockey efforts. The 2023-2024 season will long be remembered.

SPORTS

Following on from the loss of their Turf City ground at the end of 2023, it wasn't clear whether the Tanglin Rugby Club would be able to hold any more international tournaments. Luckily, TRC were able to secure the use of Marlborough College in neighbouring Johor Bahru, and accordingly a plucky group of 15 Under 9 boys ventured forth to take part in the first ever Singapore tournament held "north of the Causeway." This wasn't the only first for the boys – due to peculiarities of Singapore rugby seasons and rules, this would be their first matches with lineouts and scrums as well (scrums being introduced in U10, and lineouts in U11, in Hong Kong). It was also, for many of them, the first time playing on a (waterlogged!) grass pitch. However, the boys coped with all the challenges with smiles on their faces at all times. Saturday was dedicated to pool matches, with semis and finals on

the Sunday. Despite clear sunny weather upon our arrival at the ground, the heavens opened 15 minutes before the first matches, leaving most of the pitches waterlogged for the duration.

Our first match was against a strong Singapore Cricket Club (SCC) Lions team, who opened the scoring after a few minutes with a 7-point "super try". HKFC fought back to level the score with a super try of our own, courtesy of a nearly full pitch run down the right wing by prop **Greg**. A last-minute break by SCC looked like it might have given them the

win, but for a chase and powerful tackle by scrum-half **Ryo** whose momentum carried the SCC player over the dead ball line before they could ground the ball. Final score 7-7.

Our second match was against a Hong Kong Barbarians team formed from the top players from Sai Kung Stingrays, Valley Fort and Sandy Bay. It was a hard-fought match, and despite a line break try from winger **Brennan** and an unlucky disallowed super try from Achilles, the final result was an unfortunate 5-17 loss.

Not to be disheartened, the boys went into their final match against hosts TRC Thunder full pelt, opening with a super try from centre **Jesse**, followed by shortly after by a breakaway run from fly-half **Max**, who despite

HKFC UNDER 9 TRC JUNIOR CUP TOUR, JOHOR

YOUTH RUGBY

being brought down just shy of the try line managed to reach out and bring the ball down behind the line to score. TRC fought back but were unable to penetrate the HKFC defence, and the final pool game ended as a 12-0 win.

Following completion of the pool matches, we found ourselves second in our pool, and 6th overall in the standings, putting us in the Plate competition on Sunday. First up was a semi-final rematch against SCC Lions. This time the boys had their eyes on the prize, and gave no quarter to the Lions. The wingers were the stars of this match, with a pair of tries from **Sam** and one from **Eashan** to beat SCC 15-7.

After a rest, and a quick team chat with **Pro Coach Matteo**, the boys were ready for the Plate final against Dragons Fire. As with the semi-final, the boys went all in at the start and overwhelmed the Dragons' defence to score an early super try thanks to another line break by **Jesse**. Not to be outdone, winger **Eashan** added another try to his tally to bring the score to 12-0. The last few minutes of the match were nerve wracking as Dragons' counterattacks pushed

us back up against our own tryline, but our backs held the line and gave Dragons no way through. A last-minute turnover from a Dragons' lineout saw lock **Japsher** take off up the blindside and a third try looked set to seal the deal, but Dragons' scrum-half was able to catch and drag him into touch, and the final whistle blew, but the boys knew the job had been done!

What a result for these boys, especially considering they have only had a few weeks of scrums and lineouts prior to the tour! I am immensely proud of their grit and determination, and their resilience. Thanks to all the parents for their support, and to **Coach Alex** and our **Pro Coach Matteo** for all the hard work and support for the kids. Next year, we target the Cup!!!

HKFC DOMINATE AT THE MIDDLE ISLAND CHALLENGE

On 15th May, the sun was shining, water calm and 300+ swimmers ready for the annual Middle Island Challenge at Deep Water Bay. Our swimmers participated in both the 1.5km and the 3.8km, the latter route starting at Deep Water Bay beach and going around Middle Island. Most of our swimmers competed in the 3.8km, but the day got off to an exciting start with **Vasco Van Der Flier** completing the 1.5km in just 21.24 mins, coming 1st in his category and 4th overall.

13 swimmers from HKFC competed in the 3.8km from a mass start. With over 260 swimmers in the water ready to go, our swimmers started to pull away after the first kilometer following the initial stretch from Deep Water Bay towards Repulse Bay, before making a left around Middle Island towards the open ocean. Conditions were perfect with only a few waves on the south side of Middle Island, making it easier to spot and navigate. On the downward straight back to the beach and past Ocean Park, the first few swimmers had broken away.

To summarise, HKFC absolutely dominated the leaderboard, with 5 of the top 10 swimmers coming from our society. **Craig Nortje** and **Braedon Sharp** claimed 1st and 2nd overall, with Craig finishing in a rapid time of 48.33 mins and Braedon coming in less than a minute behind. **Fred Clatworthy** came in 5th, with Farah Master coming inside the top 10 and claiming the spot of second fastest female overall. Matthieu

MLV was close behind Farah, finishing in 10th position overall (2nd M 30-39).

Janet Wu set a new age group record (1st F 40-49) of 57.15 mins. **Christina Sjöholm** also made the podium with a 3rd place finish in her age group (F 30-39) with **Simon Holliday** (4th M 40-49) and **Simon Brewster** (5th M 40-49) also arriving back on shore under 1 hr.

Lucy Barton (4th F 20-29), **Matthieu Vignaud** (10th M 40-49), **Rupert Puels** (8th M 50-59) and **Mayank Vaid** (20th M 40-49) also put in strong performances, finishing between 1 hr and an 1 hr 15 mins. ALEX FONG

"LITTLE FLYING FISH", SYDNEY 2000 OLYMPICS

With Paris 2024 Olympics Games around the corner, Swim & Triathlon Society is publishing a series of interviews with Olympians amongst us. This is the second of the series with Alex Fong Lik-sun who holds many Hong Kong Swim Records, is an accomplished singer, artist and is an inspiration to us in so many ways.

You represented Hong Kong at 11 yrs old? Wow. Can you please tell us about this event?

"I started training from the age of 9. The age-group swimming competitions are very well organised in Hong Kong, so I was fortunate to be able to represent Hong Kong in overseas competitions from a young age. I remember that particular competition was held in Singapore, called Asian Pacific age group swimming championship."

Was competing at the Olympics a childhood dream?

"At the beginning of my training, I did not have such a "big" goal. But as I started achieving results, especially when I broke my first Hong Kong record when I was 15 years old, the goal of participating in the Olympics was next."

When and how did you know that you were going to compete? Or what lit the fire for the Olympics?

"After I broke the Hong Kong record for the first time in 1995 when I was 15 years old, I had the goal of participating in the Olympics, but unfortunately I didn't make the qualification in time

for the 1996 Olympics, so this goal persisted for another four years. It was very fortunate to be able to represent Hong Kong in competitions as we had more than one Olympic qualifying competitions. I think I qualified in four events, but ended up participating in three at the Olympics."

How did you train for the 2000 Sydney Olympics?

"In the summer of 1999, with the sponsorship and arrangement of the HK Sports Institute, I went to the Germantown Academy in Philadelphia, USA to train under the renowned coach Richard Shoulberg. Afterwards, in order to continue my training and with the plan to further my studies in the US, I enrolled at the same school, attending classes while continuing my training, and graduated a year later."

Please share a fun fact at one of the Olympic Games?

"The Olympic Games are like a global village, with people of different races, physiques and characteristics representing different sports. For example, the tallest ones are usually basketball players, while the most slender and petite ones are often gymnasts or divers."

It's very rare to see someone with these two skills, artist and sports. And you are very good at both! How do you balance your life as an artist and a sportsman?

"Entertainment business is my profession. Swimming has now become my hobby. So I must maintain a clear distinction, with work being the priority and hobby second. Given the constraints of the environment, I strive to find time to train. The main reason I continue to train and compete is to challenge the limits of my age. It's a competition with myself and my own body. I feel that participating in sports makes it easier to set goals for myself and achieve them rather than achieve goals in my entertainment business."

What's your advise to budding athletes who want to perform on world stage?

"It's simple, I'm very old school... To compete on the world stage, you need to do what they are doing, and even do it better than them, and put in more effort."

HKFC TENNIS TOUR 2024 TO BANGKOK

The long-awaited HKFC tennis tour to Bangkok was successfully held from 26th to 29th April 2024. This trip provided the perfect weekend for 18 HKFC tennis players to exchange skills and experiences with their counterparts at the Royal Bangkok Sports Club and The British Club in Bangkok. Everyone thoroughly enjoyed the atmosphere, the people, and the vibrant vibe of Thailand. It was a great opportunity for the HKFC players to grab their tennis rackets and play competitively outside of Hong Kong.

SATURDAY, 27TH APRIL 2024 **1ST SOCIAL MATCH WITH** **ROYAL BANGKOK SPORTS CLUB**

18 players of varying levels and backgrounds took to the beautifully manicured grass courts. Despite the rainy weather in Hong Kong, the HKFC players were lucky to enjoy sunshine during their matches. The social game was a fantastic opportunity to bond and learn from each other's tennis experiences. After the on-court action, the team enjoyed a delicious local Thai dinner called "the Local". The atmosphere was incredibly comfortable

and pleasant. A special thanks goes out to **Eric** for generously bringing and sharing his great wines all the way from Hong Kong. The evening was further highlighted by the group celebrating **Sarah** and **Jaff's** birthdays, ending our day one of the trip on a high note!

SUNDAY, 28TH APRIL 2024 **2ND SOCIAL MATCH with BRITISH CLUB**

Tennis players participated in the friendly matches which ended in an 18-18 tie. The British Club provided a cozy setting for some challenging yet enjoyable encounters. The crowd of spectators added to the lively atmosphere.

Following the social matches, the British Club hosted a wonderful buffet dinner for the players. The evening began with a warm welcome from the club's chairman, **Christopher**. The players from both teams mingled and bonded, building new connections across the different clubs and divisions.

Overall, the HKFC tennis tour to Bangkok was a resounding success, allowing the players to not only compete but also immerse themselves in the vibrant local culture and hospitality. The cross-cultural exchange and friendly camaraderie were undoubtedly the highlights of this memorable trip.

A FUN-FILLED OUTING

SATURDAY, 11TH MAY 2024
KSC SOUTH

Happy Golfers on the Bus

Our first weekend outing of 2024 on 11th May was nothing short of spectacular. We packed the bus to the brim, ready for a day of golf, laughter and some inevitable shenanigans. The allure of a Saturday event brought fresh faces into our fold - welcome, **Alexander Chew**, **Murray Brechin**, **Fraser Leishman**, **Nicholas** and **Kenneth Lam**!

We were equally delighted to see some long-lost participants, including **John Thompson** and **Kristina Lee**. Unlike our previous outing where the weather seemed to have a personal vendetta against us, this time it decided to play nice, allowing us to enjoy a full round of golf.

There was some fantastic golfing on display, with nearly half the players racking up over 30 Stableford points. We also had two Match Play championship matches: **Jonny Brock** vs **Kien Ng** and **William Chan** vs **Shane Burgess**. Jonny triumphed 3&2, and William joined him in advancing to the next stage after a thrilling victory over Shane.

The outing also coincided with Jonny's birthday, and in a delightful twist, **Dori** and **Elizabeth** showed up in matching outfits. Clearly, great minds think alike - or perhaps they conspired to give Jonny a birthday surprise!

Jonny's birthday excitement led to a classic mishap: we lost the birthday boy and a few of the Rugby guys as they missed the ferry back to Sai Kung. This meant we all had to wait for them to catch the next one. This gave us more time to laugh and recount our day's adventures. Speaking of which, **Andy Wood** made sure everyone knew how well he played, boasting about chipping in from the bunker and sinking a 20-foot putt on the 18th. He had the game of his life and made sure everyone knew it, not once, not twice, but multiple times on the journey back. However, despite Andrew shooting a Nett 67 and a Stableford score of 37 points, he was bested by Elizabeth Dendle who scored a whopping 38 points! Well done Liz!

Our lively journey ended back at the Sportsman's, where we continued Jonny's birthday bash. After a spirited bus ride back to the football club, all the winners generously threw their Stableford competition winnings into the pot to continue with the celebratory drinks. It was the perfect end to a day filled with laughter, friendship and unforgettable moments.

Well done to all the winners, and a very Happy Birthday to Jonny!

The second qualifying round was against an up-and-coming Thailand player who took Saloni to a nail-biting 3 sets with Saloni beating her opponent in third set of 23:21.

challenge will be a Super 100 level series tournament, the Kaohsiung Masters 2024. We hope Saloni the best of luck!!

It has been a year of roller coaster ride for Saloni as she has finally come through her first personal achievement in entering a BWF Super 500 level series badminton tournament, Thailand Open 2024. Saloni must go through two rounds of qualifying games before entering the main draw. Her first round was against an Indian player and Saloni took the game to an easy 2 sets win.

Thailand Open is the third highest level super series tournament. Saloni worked hard against an Indonesian player who ranked (71) much higher than Saloni (183) in round 32. However, Saloni did not show a thread of fear and worked on her game plan really well and took the opponent to 3 sets. However, her opponent was shown to be at an advantage with more experience than Saloni does and she lost in the third set. However, this is still the best tournament result that Saloni had had in the past 2 years. Her next
